Instructions to Candidates

- Write your full name and candidate number clearly on the front of this booklet
- You are advised to spend **30 minutes**.
- You should answer all the questions

Mark out of 25: _____

Writing (25 marks)

You must answer the question set. You should not write out an answer from memory. Answers which are written from memory do not get very high marks.

Some people believe that it is wrong to use animals for our entertainment (for example, riding camels when on holiday, seeing animals in a circus or in a zoo). Other people think that, provided the animals are treated well, then it is acceptable to use animals for entertainment.

Write the text for a speech you are going to make to an audience of Year 6 pupils and their teachers in which you argue either for or against animals being used for entertainment.
